

Data Subject Request (DSR)

Response Services

Comply with DSRs within the approved timelines.

As consumer and employee DSR rights grow, so does the burden they place on your organisation.

Solution:

Elevate offers end-to-end processing or support for singular tasks to supplement your team's work.

- Elevate can scale to meet your needs
- We are certified in OneTrust Privacy, Security & Governance Software
- We offer consistent, efficient processing, and tracking
- We provide extensive monthly and ad hoc reporting

GDPR (EU), CCPA and CPRA (California), UK-GDPR (UK), CPA (Colorado), LGPD (Brazil), VCPDA (Virginia)

Why choose Elevate for DSR Response Services?

- Technology-driven and led by lawyers (attorney-client and legal professional privilege applies)
- Fixed-fee pricing is available
- Ability to handle large volumes (offered as a managed service)
- Experienced eDiscovery and Document Review team
