# EXPONENTIAL GROWTH IN CLASS ACTIONS

---

Are corporations and their law firms prepared to manage this uptick in class actions related to data breaches?

# PAY NOW OR PAY MORE LATER

---

How are companies and counsel assessing their vulnerabilities before a breach happens via Cyber Governance or similar programs?

# META PIXEL TRACKING AND ASSOCIATED LITIGATION RISING

---

How are your teams handling these rises in lawsuits, investigations, or class actions related to pixel tracking (i.e., mobile apps, health fitness apps)?

# REGULATORY UPDATES AND NOTIFICATION TIMELINES

---

Beyond the SEC, additional regulatory agencies are set to establish guidelines around adherence to notification timing, so are you prepared and up to date on the latest?
