

Flexible Legal Talent

Scale Your Global Team With Vetted, Experienced Legal Professionals

Elevate's global flexible legal resourcing provides a systematic approach to deliver consistent, creative solutions, both onsite and remotely, for your interim, project-based, and permanent needs.

Accelerate the process by partnering with Elevate to access over 17,700 qualified lawyers, paralegals, and legal operations professionals.

- Skills assessment to ensure seamless integration into your team
- Generalist and specialist lawyers including litigation, financial products, cyber security, data privacy and regulatory
- High volume, vetted and experienced document reviewers available at short notice
- Onsite or remote talent for interim, project-based, or permanent needs delivered through Elevate's Enterprise Legal Management (ELM) platform

Talent Solutions

Access global flexible legal resourcing for your interim, project-based, and permanent needs

Direct Flexible Resources

Interim resources for law departments and law firms to work directly within their permanent teams

Indirect Flexible Resources

Interim resources for law firms who second those resources to their clients

Volume Paralegal Pooling

A maintained pool of pre-screened paralegal resources to deploy to enterprise customers on shortnotice

Payrolling

Payrolled employee pool for customers who have lengthy internal hiring processes, with immediate availability to start work in days, not weeks

Retained Search

Design, implement, and manage solutions to improve operations

Flexible Legal Resourcing Capabilities

Lawyers, Paralegals, Legal Operations Professionals, and others of varying experience levels and fields of expertise

Team augmentation, absence cover, or permanent roles, long or short-term, full or part-time with flexible notice

Talent pre-vetted, interviewed, and aligned with a customer's corporate vision, values, and team dynamic

Onsite or remote-working worldwide with the technology support required

Expert resource consulting for creative, timely, cost-effective solutions, leveraging Elevate's global platform

Proactive engagement management team providing regular check-ins, assisting with issue resolution, and offering Talent care

T-Shaped Talent integrated into the other Elevate teams providing services to a customer's department

KnowledgeNetwork™ allows Talent to tap into Elevate's global legal, process, and technology experts in real-time, at no charge; plus, access to CrossKnowledge learning platform
